

2011 NHMS Training Series Season Pass

NHCC is offering season passes to the 2011 NHMS Training Series. In addition to saving money, a season pass simplifies check-in at the track. With your pre-assigned number, all you need to do is sign in. Save money and time. Late to the track? Just sign a release, jump in and race.

NHCC Members \$90.00: Non-members \$110.00
NHCC Juniors \$25.00: Juniors: \$50.00

Single day entry fees for NHMS series races are \$10.00 per rider and \$5.00 for junior riders (under 18).

Your 2011 NHMS Training Series Season Pass gives you:

- A pre-assigned bib number. Let us know what number you want. If you misplace your number, you'll receive a new bib number. If you want to change categories, you will get a new number, or you may request bib numbers in two or more different categories.
- Streamlined check-in. Just sign the printed roster, sign a release, and ride.

The Fine Print:

- **Each week** release forms must be signed at registration.
- The 2011 NHMS Training Series Season Pass does not include admission to the NHMS facility.
